Summarize --- front of vest pretty much can personalize. American Flag, above heart and nothing above it. Still some questions about rebel flag ?? Gene Blakeman asked for an exception to the "Jane Fonda – Traitor Bitch" patch. Back of vest ...nothing above or below our ALR patch. Questions about interpretation of association vs affiliation, Doc Bart says "look it up"

There are 47 outlaw motorcycle gangs. Even the Vietnam Vets MC are considered 1%. If you want to go to an event just take off your vest before arriving at their club house.
