Greetings to Each of You!

We hope this finds everyone well, sheltering in place, and PATIENTLY awaiting the return to some semblance of normalcy. The COVID-19 pandemic has forever changed our lives and the way we do business. Wearing a facemask whenever we're out in public, handwashing and sanitizing, and social distancing are going to be with us for a long time to come.

As California reopens her state, albeit slowly, we are very pleased to announce that beginning **Friday, June 5, 2020**, Post 694 will also open our doors for **Take-Out Meals only**, as prepared by our very own Legionnaire, Kona Jerry Johnson, who will offer an array of delectable dinners at **\$16 each**. The meal will include your choice of Ribs, Smoked Chicken, Whole Chicken, Brisket, or Fried Chicken, all served with Memphis Slaw, Ranchero Style Beans, and Hawaiian Sweet Rolls. Also available for the hungry diner is a **Slab of Ribs for \$30**, and includes the sides already noted. These delicious take-out meals will be available every **Monday and Friday beginning Friday, June 5, 2020, from 3:00 PM 'til 7:30 PM** or until sold out. We accept both cash and credit cards! To place your order, please **call 831-384-6616** any time between 3:00 PM and 7:30 PM, and your meal will be ready for pick-up when you arrive at the Post. Bottled beverages and some mixed drinks will also be available for take-out purchase, as well.

**Please note that masks MUST be worn while in the Post, and social distancing will be enforced. Hand sanitizer stations will be available for your convenience. Entry into, and exit from the Post will be through the Main Hall doors only. Simply follow the directional signage for access to the building!**

Our Legion Family is diligently working to put into place all of the state and county measures required to re-open for modified meal service options. We look forward to seeing you again soon and hope that you will support our great veterans' organization! Until then, please stay safe and be well.
